Certificate No.: S 812034	No. of pages: 1	Valid from: 28.12.2021	Valid to: 27.06.2024

Scope of the certificate:

Sales and development of coated and uncoated glass bulbs as thermal and electrical activation elements in sprinklers or other applications such as smoke and heat extraction systems, as well as the manufacture of automatic miniature fire extinguishing systems and thermally activated bulbs with fire extinguishing function

This certificate is only valid in conjunction with the certificate No.: S 812033 of the head quarters in DE-22926 Ahrensburg This certificate is exclusively valid for the quality management system within the indicated scope. The present validity can be verififed under www.vds.de.

This certificate does not include any information about a VdS approval of installers, security companies, products, procedures or similar. For this purpose separate evidence is required.

This certificate shall only be reproduced without any modifications and including all enclosures. During the entire validity of the certificate the quality management system of the organisation shall meet the requirements of the certification basis. This will be examined by VdS Schadenverhütung at a regular basis.

Any advertising with this VdS approved quality management system shall reflect the correct contents of the certificate and shall not violate the competition regulations.

Certification basis:
